Maxithins® Vended Maxi Pads w/ Wings, Regular Protection, 250/cs

Maxithins® Maxi Pads with Wings offer reliable and discreet protection in a convenient bulk format. Unscented and individually wrapped for hygiene, each pad features an absorbent core that locks in fluid, helping to keep the surface dry and comfortable next to the skin. Flexible wings provide exceptional side coverage and help the pad stay securely in place. The extra-soft top cover enhances comfort without sacrificing performance. Packaged in a tri-fold design, these white pads are unscented, making them well-suited for shared or public facilities.

Key Features

- Unscented
- Individually wrapped
