

PRODUCT SPECIFICATION

SD2000WH

COMMERCIAL FREE-VEND
SANITARY NAPKIN DISPENSER

The SD2000WH is a commercial free-vend sanitary napkin dispenser for **pads only — not tampons**. Made in the USA from 22-gauge white powder-coated steel, it mounts to a wall or partition with screws and dispenses non-proprietary, individually wrapped pads without batteries, sensors or a coin mechanism.

KEY FEATURES

Pads-Only Free-Vend Dispensing

Dispenses individually wrapped sanitary napkins at no charge; does not dispense tampons.

Made in the USA

Manufactured in the United States using U.S.-made steel and components.

Durable Steel Construction

22-gauge white powder-coated steel cabinet for commercial use.

Simple Lift-Top Refilling

Lift-top lid provides access for replenishing pads; no lock or magnet.

Wall-Mounted Installation

Mounts securely to a wall or partition using screws.

Non-Electronic Operation

Mechanical, gravity-fed design; no batteries, sensors or coin mechanism.

Flexible Refill Sourcing

Accepts compatible, non-proprietary individually wrapped pads.
