

PRODUCT SPECIFICATION

SD4000WH-TO

COMMERCIAL FREE-VEND TAMPON DISPENSER

The SD4000WH-TO is a compact, wall-mounted commercial free-vend dispenser for **individually wrapped retail-style tampons only, not vending-tube tampons**. Made in the USA from commercial-grade steel, it accepts widely available non-proprietary tampons sold through drugstores and supermarkets, as well as bulk refills offered by GGI.

KEY FEATURES

Tampons Only — Free-Vend

Dispenses individually wrapped retail-style tampons at no charge; no sanitary pads.

Retail-Style Refill Flexibility

Uses commonly available individually wrapped tampons; not proprietary vending tubes.

Made in the USA

Manufactured in the United States from U.S.-sourced materials and components, as confirmed by GGI.

Durable Steel Construction

22-gauge white powder-coated steel cabinet.

Lift-Top Refilling

Lift the top lid to replenish the dispenser.

Non-Electronic Operation

Simple gravity-fed dispensing; no batteries, sensors or electricity.

Bulk Refill Convenience

GGI offers compatible MTB500 bulk cases of 500 tampons.
