

PRODUCT SPECIFICATION

SD7000

COMMERCIAL FREE-VEND

SANITARY NAPKIN, TAMPON & COURTESY BAG DISPENSER

SD7000BK

SD7000WH

The SD7000 is a compact, made-in-the-USA commercial free-vend dispenser providing sanitary napkins, tampons and courtesy disposal bags in one cabinet. Its gravity-fed design uses non-proprietary No. 4 boxed pads and vending-tube tampons, with a side-access bag compartment. Available in black or white powder-coated steel.

KEY FEATURES

Three-Product Courtesy Station

Dispenses tampons, sanitary napkins and disposal bags.

Free-Vend Convenience

No payment, batteries, sensors or electronics required.

Durable Steel Construction

20-gauge powder-coated steel; welded cabinet.

Non-Proprietary Refill Formats

Accepts vending-tube tampons and No. 4 boxed pads.

Lift-Top Restocking

Flip-top lid attached by a full-length piano hinge.

Flexible Placement

Wall mounting with screws or placement on a flat surface.

Made in the USA

Manufactured in the United States.

COMPATIBLE REFILLS

T500	Tampax tampons (vending tubes)
CPCR200	Tampons (vending tubes)
MT-4	Maxithins Maxi Pad (No. 4 box)
MT-200	Maxithins Ultra Thin with Wings (No. 4 box)

Closure	Lift-top lid; piano hinge
Mounting	Wall mount or freestanding
Operation	Manual / gravity-fed
HTS Code	7326.90
Packaging	Sold individually; 4 per master case

OPERATION & INSTALLATION

Refilling: Lift the top lid to load tampons and pads. Refill courtesy bags through the left-side opening.

Installation: Use the two pre-drilled mounting holes and suitable hardware; alternatively place on a stable flat surface.

ADA INSTALLATION NOTICE:

Cabinet depth is 4 1/4 inches, exceeding the general 4-inch ADA protruding-object limit where applicable. Select a suitable mounting location and confirm reach ranges, clear floor space and other site-specific accessibility requirements.

U.S. ORIGIN / BAA & BABAA:

Made in the USA. GGI identifies the SD7000 as BAA and BABAA compliant based on confirmed U.S. manufacturing and sourcing. Confirm project-specific procurement requirements.
